

JOB DESCRIPTION

Maintenance Mechanic

St. Supéry Estate Vineyards & Winery is looking for a motivated maintenance mechanic to perform repairs, modifications and preventative maintenance on the winery facilities and equipment. The ideal candidate will have 1-2 years' experience in a similar role. Key responsibilities include:

- General winery maintenance, in all areas of the winery, including production, offices, and other buildings.
- Troubleshoot electrical and mechanical problems/water distribution systems
- Responsible for ensuring work is done in a safe manner, following established safety protocols
- Ongoing preventative maintenance for the Bottling line, Refrigeration Systems, fire pump and boiler systems
- Schedule equipment maintenance with vendors as appropriate
- Provide assistance to the Cellar and Bottling Supervisor during bottling

Qualifications:

- High School diploma
- 1-2 years' experience in a similar role
- General machine shop skills
- Working experience in electrical, plumbing, welding, and general building maintenance
- Basic knowledge of Microsoft Office Suite
- Must have a valid California driver's license and a good driving record.
- Ability to work under tight deadlines
- Fluent in English, good verbal and written communication skills
- Must be available to work scheduled days and have flexibility to work different schedules or hours when necessary.
- Lift and/or move 50 pounds
- Walk on uneven surfaces inside and outside including in the vineyards (hillsides)
- Stand, squat, stoop, bend at waist and legs

Please see Annie in Human Resources if interested in applying.
