2011 St. Supéry Napa Valley, Dollarhide Estate Vineyard Sauvignon Blanc

92 points Wine & Spirits

"...has the pungency of fresh citrus, of tart white cherries and persimmon. The intensity of flavor lends it a red fruit character, while the texture is as fat as a scallop." - 2013

This wine has brilliant and vibrant pale yellow hues. Rich, lifted aromas of grapefruit, kiwi, lychee, lime and fennel are encompassed by a subtle yet engaging toasted smoky note of new French oak. Crisp lychee and grapefruit flavors combine with green lime zest and a bright citrus appeal, while the toasted qualities of the barrel maturation have encouraged a full, rich mouth feel along with a subtle creaminess from the sur-lie maturation. This is a rich and flavorful Sauvignon Blanc.
