Winemaker’s Notes

Aromas of mandarin and peach blossom dominate this beautifully colored wine of pale yellows and youthful hints of green. Marmalade and orange zest round out the bouquet with rich and bright fruit flavors bursting in the mouth. Exotic peach and nectarine combine with a citrus undercurrent to create a refreshing, opulent, sweet wine.

Vintage 2015

Despite good rainfall in December of 2014, January and February of 2015 brought warm, spring-like daytime temperatures with minimal precipitation. Little rain was recorded in March and April and as the temperatures cooled, the fruit set slowly over three weeks. May stayed warm and we experienced significant hot spells in June, July and August. Harvest kicked off in late August 2015, and while the yields were light, the quality of our fruit was terrific. Fermentation took place in stainless steel tanks at cool temperatures to maintain and enhance the natural flavors. The final blend was completed soon after and captures the lovely bright qualities and intensity of the variety.
