**St. Supéry Estate Hosts Harvest Celebration to Benefit Valley Oak High School**  
***Silent auction includes wines from acclaimed Napa producers, plus other unique items***

Rutherford, Calif.—St. Supéry Estate Vineyards & Winery invites guests to celebrate the 2018 harvest while supporting Valley Oak High School in Napa, an accredited school that provides an alternative pathway for students to complete their graduation requirements. The event takes place at St. Supéry Estate on October 13, from 6-8 p.m.

Along with the winery's current releases, interactive wine and food pairing stations will feature creations from St. Supéry Estate Chef Tod Kawachi, highlighting produce from the winery's culinary garden and local artisan food purveyors. The Jensen Earles Band will provide the evening's soundtrack with a mix of guitar-driven classic rock, country, blues and soul.

A silent auction to raise money for Valley Oak's new Wellness Center will include wines and special tours from Napa Valley producers such as Viader Vineyards & Winery, Darioush Winery, Spottswoode Vineyards & Winery, Bressler Vineyards, Honig Vineyard & Winery, St. Helena Winery, Silver Oak Cellars, Rutherford Hill Winery, Chimney Rock Winery, HALL/WALT Wines and Silverado Vineyards.

Also up for bid are items such as a one-of-a-kind Fender guitar signed by artists from St. Supéry's "Live in the Vineyards XII" concert, passes for the Napa Valley Film Festival, and an "Instant Cellar" lot that includes more than two dozen bottles from renowned Napa Valley producers.

Tickets are \$100 per person or \$75 for St. Supéry wine club members. The first 50 people to purchase tickets are invited to arrive at 5 p.m., to create their own custom version of the winery's Virtú Sauvignon Blanc and Semillon blend, to take home after the celebration.
