

2019 NAPA VALLEY, DOLLARHIDE ESTATE VINEYARD SAUVIGNON BLANC

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Dollarhide Ranch is a 1,530+ acre property with steep, rolling hills, some flat lands, seven lakes and a vast array of wildlife located in the northeastern hills of Napa Valley. With elevations ranging from 600 – 1,100 feet, we have planted over 500 acres of grapevines, leaving the rest of the property to thrive in its natural state. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations.

WINEMAKER'S NOTES A brightly colored wine with yellow and green hues. Citrus notes of lemon, key lime and grapefruit lead to aromas of kiwi, pear with a hint of tropical fruit, anise, and wet gravel. The flavors follows suit; green lime, grapefruit, grapefruit zest and kiwi dominate with a subtle thread of toasty French oak rounding out the textured mouthfeel balancing with crisp acidity.

VINTAGE 2019 In 2019, we experienced a very wet winter and spring, capturing 41" of rain at St. Supéry's Dollarhide Estate Vineyard. A mild spring with late-May rainfall resulted in damp soils and healthy canopy growth which meant lower-than-average yields of Sauvignon Blanc and therefore high intensity. Other than one mid-June heat spell, summer was warm and dry, allowing for consistent and balanced ripening. Late summer and early fall continued to provide steady warmth. As evenings began to cool, the fall growing season was extended. It was a good even ripening season with a mild summer resulting in excellent wine of great flavor and density. After achieving the desired flavors on the vine, the Sauvignon Blanc was harvested in the cool morning hours in an effort to preserve the delicate flavors. The fruit was received in the cellar, where the grapes were pressed to tank and immediately chilled and settled prior to fermentation. Fermentation occurred in both stainless steel tanks and new French oak barrels at cool temperatures to maintain and enhance the natural flavors. The final blend was completed after 5 months of sur-lie maturation.

APPELLATION

Napa Valley

OAK MATURATION

16% new French oak for
5 months

ALCOHOL

14.1%

VINEYARD

Dollarhide Estate Vineyard

PH

3.1

HARVEST DATES

Sept 5th, 6th & 10th, 2019

VARIETY/BLEND

100% Sauvignon Blanc

T. ACIDITY

6.8 g/L

BOTTLING DATE

March 26th and 27th, 2020

CASE PRODUCTION

3,416 cases

ESTATE GROWN + SUSTAINABLY FARMED + CERTIFIED NAPA GREEN
